

HYPERCUBE

RAISE YOUR POSSIBILITIES

UNION TOWER, 550 W. VAN BUREN,
CHICAGO IL.60607 FLOOR15

Hypercube is a 20,000SF coworking office located in Chicago's west loop. The design solution incorporates the following key features:

- The public area is designed to convert from a daily office space to an evening retail/entertainment space.
- Efficient zoning contributes to a productive workflow for the members.
- Multi-layers of cubes are inspired by the branding image and are apparent in the design.
- The spaces are designed to be acoustically sound to support member productivity.
- Sustainable applications, including energy efficient lighting and durable finishes are implemented throughout.
